TRIBAL COUNCIL TRAVEL REPORT NARRATIVE

From: Regina Bentley

Date: October 22-24, 2013

Re: United Tribes

I traveled to Soaring Eagle Hotel, in Mt. Pleasant, Michigan to attend the United Tribes meeting. I left on October 22 and returned on October 24.

Some of the topics that were covered were Douglas Willett from the Luna Tech 3D Project held a discussion on wind energy.

Michelle Willis gave a presentation on Honoring Our Children.

Jason Allen gave an update on the Michigan Veterans Affairs Agency. He gave an overview of all the funding that is available to veterans within the State of Michigan. Also the monies that we can recover using 3rd party billing for any veteran that is seen at our clinic.

Our Chairman was selected to be one of the names to be submitted as possible representative to meeting with the President Obama during the summit in November.

There was a United Tribes dinner meeting. Guest of Honor was Congressman Dale Kildee. Each tribe thanked Congressman Kildee for all he has done for Indian Country.

Thank you

Regina Bentley
